

Dearest Customer,

we are a very very small team and everything takes time to deliver.
So if you are busy going somewhere in the next hour we would be the wrong
place to eat at. We will of course try very hard to send everything out as
fast as possible.

Please note the following:

We will charge for every extra plate, cuttlery or takeaway container
Rm 2.00 each.

Any extra Sauces we will charge Rm 3.00

However we do not charge Gov. Tax and Service Charge

Thank you for your kind understanding
